

OMK-SR-FSK.2 Fusion Splice Kit

Description:

The OPTOKON Splice Kit OMK-SR-FSK is intended for the quick repair of damaged or broken mobile tactical optical cables. The Kit contains portable mobile fusion splicer S121A and all necessary splicing tools. The Kit tools are housed in a water/airtight, unbreakable NATO codified case. All tools are further protected with pre-moulded cut to fit each item. The Case is made from extremely resistant Copolymer Polypropylene and equipped with automatic pressure release valve.
